Dear Mr. Isenhardt:

Re: Certificate of Deposit, Happy Jack Mine, M/037/024, San Juan County, Utah

Enclosed are three (3) original letters that need to accompany the Certificate of Deposit you have posted for the Happy Jack mine. The Division Acting Director has already signed the letters and we are now forwarding them to you for your signature. Please sign all three letters and add your tax ID number to them; keep one for your records, send one to First Security Bank for their records and return one to this office for our files.

Also, please find enclosed the original Reclamation Contract. This document needs to be notarized after your signature on page number 7. Please return this to us as soon as possible.

The Board of Oil, Gas and Mining (Board) will be holding its next regularly scheduled meeting March 24, 1993. At that time, the Division will be seeking the Board's concurrence of the form and amount of surety now posted for this mining property. We will need the signed documents in place before final approval can be given by the Division.

Any questions, please call me or Wayne Hedberg.

Sincerely,

Holland Shepherd  
Senior Reclamation Specialist
